

OLD LADY STARTS TO OUTDO WESTON

At Seventy-six She Plans to
Walk to Newport,
Ohio.

Withered and bent with advancing years, Mrs. Lena Clyman, seventy-six years old, of No. 2080 Second avenue, it is believed started out at 6 o'clock this morning to outdo Weston, the old-time walker, in an effort to walk from here to Newport, O.

According to Mrs. James Cullum, her daughter, with whom she lived, the old lady is the owner of a farm at Newport, O.

Up to seven months ago she lived in Newport with her son, but then, Mrs. Cullum says, some disagreement arose between them and Mrs. Clyman came on to New York and has since lived with her.

About a month or so ago, Mrs. Clyman received a letter from a judge in Washington county, O., stating that a guardian had been appointed for her property, on which were two oil wells. Recently another letter came, this time from the guardian, saying that he had made arrangements to lease the farm and the oil wells and holding out all sorts of prospects.

This worried the old lady, Mrs. Cullum said, and she made up her mind to return to Newport. She was dissuaded on account of her old age, and also because she was suffering from a severe cough.

Yesterday one of her little grandchildren read to her an account of Weston's walk from Philadelphia to New York, and when it was finished the old lady drew herself as upright as she possibly could, saying, "If he can do it at his age, why can't I?" Nothing more was thought of the matter until this morning, when at 5:30 Mrs. Clyman was found to be up and dressed, and asked one of her grandchildren to unlock the door and let her out. The child refused, but later when James Cullum, her daughter's husband, came downstairs at 8 o'clock he found the door opened and the old lady gone.

It is thought that she started out with the intention of walking to Newport, O., and her relatives are very anxious concerning her, especially as she is a little childish in her ways.

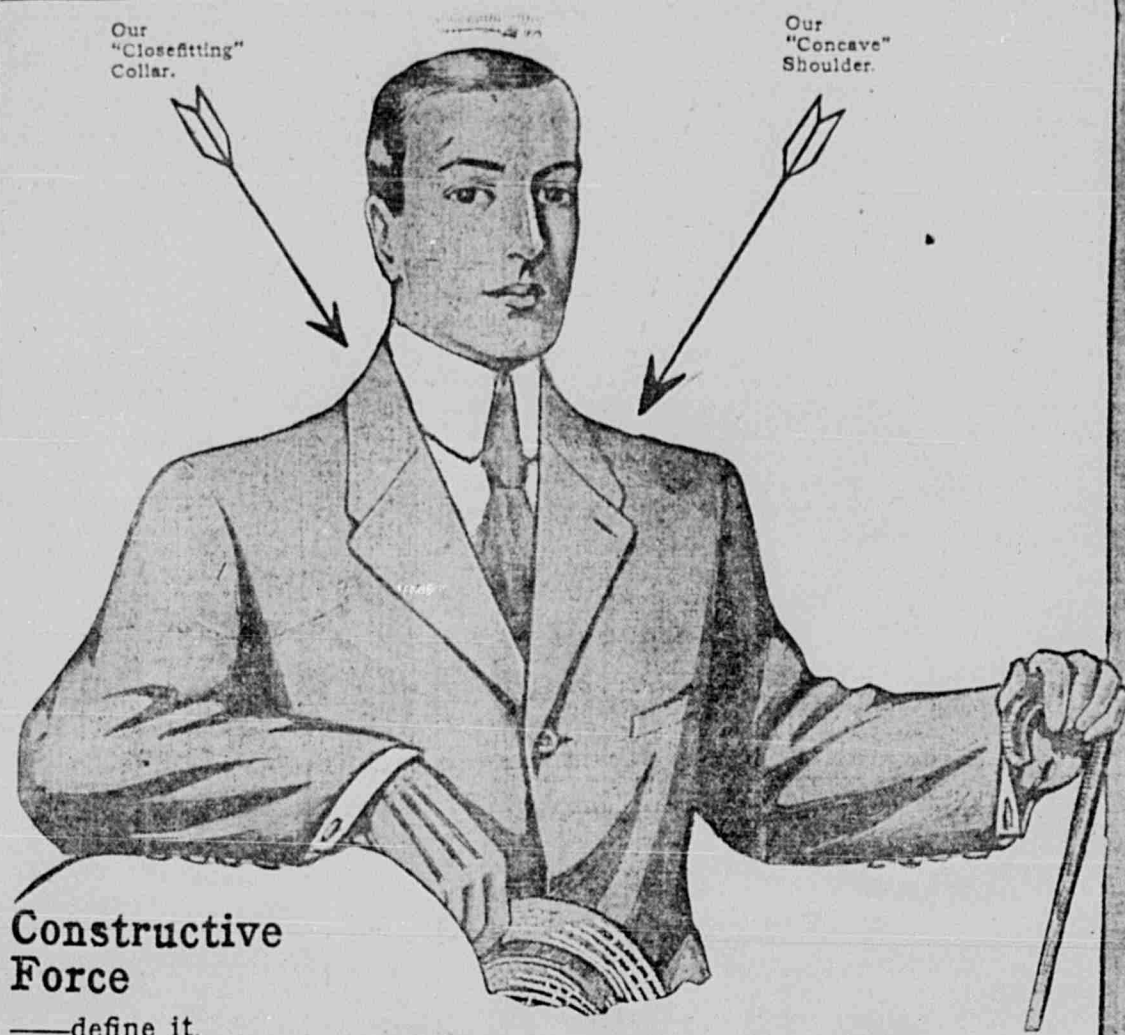

The police have been asked to look for her.

TINY BABY WINS THE WOMEN OF PATERSON.

PATERSON, N. J., May 25.—The smallest baby in Paterson was born last night at the Bainbridge residence, No. 46 Fair street, and he is the talk of the neighborhood. When the news became known there was a general rush of women friends and neighbors to see the little fellow, and all day today visitors were peeping at him.

The youngster weighs two pounds and a half and from the top of his head to his tiny toes he measures fifteen inches.

At present the baby wears down clothes, but physicians who have seen him say that there is every indication that he will be soon as big and healthy as he ought to be.

Constructive Force

—define it.

Take any given thing—men's clothes, for instance—improve, develop and better it. Make of it not only a product for market, but a great work to win the admiration of particular men—that is constructive force.

Invent such a thing as our "Concave" Shoulder and "Close-fitting" Collar, something vital—that, again, is constructive force. Let us demonstrate it with our showing of
